Internship Info Session

The Department of Political Science is holding an Informational Session for students to learn more about the Department’s exciting and multifaceted Internship Program. In addition to the Department’s General Internship Program, we offer four unique opportunities that allow students to gain real world experience while earning credit towards their degree:

- **Michigan Government Semester**
- **Washington, DC Study Away**
- **Legal Internship**
- **InnovateGov (Detroit)**

Students will have the opportunity to hear from each program instructor, as well as ask questions about the application process and career opportunities after completing an internship.

**Tuesday, December 1, 5:30 p.m.**

134 South Kedzie Hall

Department of Political Science, 368 Farm Lane, S303
South Kedzie Hall, East Lansing, MI 48823
Michigan State University
