PERSONAL STATEMENT

Describe why you would like to be admitted to the Linked Bachelor's -Master's of Public Policy program at Michigan State University. Summarize your professional goals and how you believe this program will help you attain those goals. List any special analytic or research skills you possess that may be useful in graduate study, e.g. data analysis, professional experience, interviewing, oral presentations, preparing written reports. Also, list any substantive policy areas (i.e., education, the environment, health care) or specific policy problems (i.e., economic development, government regulation, state fiscal issues, etc.) of particular interest to you. Your personal statement should be approximately 250 words in length.
