EARN A **MASTER OF PUBLIC POLICY** DEGREE

Master of Public Policy
MICHIGAN STATE UNIVERSITY

EXPERIENCE

SOLVE REAL-WORLD PROBLEMS
Expand your policy knowledge by learning from top-tier economists and political scientists at a worldclass Research-1 university working to solve real-world problems

GAIN DATA ANALYTIC & NUMERICAL LITERACY SKILLS
Gain data analytic and numerical literacy skills, and a rich understanding of political context to prepare you to effectively design, implement, and evaluate public policy

EXPLORE HOW POLICY IS BOTH PUBLIC & PERSONAL
Explore how policy is both public and personal among a small and diverse cohort (< 25 students) during evening classes so you can still work part- or full-time and finish within two years

INNOVATE

DEVELOP EVIDENCE-BASED SOLUTIONS
Develop innovative and evidence-based solutions to complex policy puzzles by receiving one-on-one faculty support and networking with practitioners

EXECUTE CUTTING-EDGE & APPLIED RESEARCH
Dedicate a full year to executing your own cutting-edge and applied research and present your findings to hundreds of national, state, and local policy professionals during a public reception

ENGAGE IN APPLIED INTERNSHIP & RESEARCH OPPORTUNITIES
Balance coursework with applied internship and research opportunities in a flexible learning environment customized to fit your policy interests and needs

LEAD

BECOME A POLICY LEADER
Become a policy leader in the government, private, or non-profit sectors at the local or global level

MAKE AN IMPACT ON THE POLICY WORLD
94% of our graduates are employed and making an impact in the policy world within six months of completing their degree

LEAD AT THE HIGHEST LEVELS
Alumni are gubernatorial chiefs of staff, policy analysts, legislative fiscal analysts, CEOs, city managers, elected officials, communications directors, program managers, among many other leadership posts
